ABOUT

THE GOLDEN TRIANGLE

The Golden Triangle is a 43-square-block neighborhood connecting Dupont Circle, the White House, and Foggy Bottom. It is a place where traditional businesses unite with the city's newest frontiers.

The Golden Triangle boasts premier retail and dining options, while numerous parks and green spaces make the area beautiful and more enjoyable. With unbeatable access to transportation, the Golden Triangle is one of DC's liveliest, most sought-after business neighborhoods.

THE GOLDEN TRIANGLE BID

The Golden Triangle Business Improvement District (BID) is an award-winning nonprofit that works to enhance the Golden Triangle neighborhood. The primary focus of the BID is to provide a clean, safe, and vibrant environment within its borders, and support economic development in the Golden Triangle. The BID is dedicated to making the Golden Triangle a great place to live, work, and play.

DISCOVER

BEAUTIFICATION

The Golden Triangle BID enlivens the streets by landscaping, installing public art, and ensuring sidewalks and green spaces are clean.

AMBASSADORS

Golden Triangle Ambassadors keep the streets clean by emptying trashcans, sweeping curbs, removing snow, and much more.

SEVEN PARKS

Home to seven parks, the Golden Triangle BID cares for its green spaces by making them more inviting and sustainable.

SUMMER FUN

Free summer programming in Golden Triangle parks brings together people who visit and work in the neighborhood for events, including Farragut Fridays, TriFit outdoor exercise classes, and the Golden Cinema movie series.
