There are **nine bars or lounges with roof decks** in the Golden Triangle BID.

Fifteen bars in the BID have **patios or outdoor seating**, generally set up on sidewalks.

The annual fee for a **sidewalk café license**, required by ABRA for bar patios, is **\$75**.

Open since 2014, Sauf Haus Bier Hall features an upstairs open-air beer garden, in true German style. Its neighbors Public Bar and Eighteenth Street Lounge also have rooftop spaces, which all overlook Connecticut Avenue.

Combined, 60% of all bars and lounges in the Golden Triangle have rooftop decks or other outdoor seating. (This does not include restaurants that serve alcohol.)
